

# CODE CRACKER PHONICS 2021

**Code Cracker** is based on Synthetic Phonics, an accelerated form of phonics that does not begin by requiring children to know any sight words or even the letters A to Z. Code Cracker employs the Rapid Learning Cycle to quickly teach children how to relate letters to their sounds, putting them together in words, resulting in rapid gains in reading and spelling skills.

## Nursery 2

- Develop Basic Reading Skills
- Relate Letters to Sounds
- Introduce Blending Skills
- Introduce Spelling Skills
- Start from the Simple Code
